A welcome return, to the Broadbent Theatre, for the Kit Holmes Trio, who always provide a great evening's concert. Kit's trademark sultry vocals and virtuoso guitar playing have wowed audiences across the UK

through extensive touring with the guitar hero John Etheridge. Her recent gigs include Paul McCartney's LIPA, a performance for Bill Bryson and Andy Kershaw and a headline at the International Guitar Festival of Great Britain. Expect an enthralling and energetic live performance of blues-driven roots with a soul sensibility. This tour celebrates 10 years of gigs and will include new material from her 4th CD, which was released in the autumn.
